20. In all matters not expressly provided for herein the licensee will be bound to accept the ruling of the Commissioner subject to an appeal to Government.

21. If it appears at any time to the Commissioner that the licensee is unable or unwilling duly to execute his engagements under the contract, the Commissioner will be entitled to enter into possession of the premises and to make any arrangements that appear to him necessary in the circumstances.

22. Induction of any of the conditions of the license either by the licensee or by any person in his employment will render him liable at the discretion of the Commissioner.
